****SOLD** Humanitarian Award Sponsor**

The Humanitarian Award is presented each year to an individual or group in recognition of their outstanding dedication and community service. Recipients of this award have exhibited an extensive record of involvement in civic, charitable, and volunteer organizations; dedication to the improvement of human relations among diverse groups in our community; sustained commitment to humanitarian ideals; and a history of placing humanitarian concerns above self-interest. Our distinguished 2019 Humanitarian Award recipient is Tim Hearne, President & CEO of United Way of Monmouth and Ocean Counties. As the Humanitarian Award Sponsor you honor the spirit of humanitarianism we seek in our community.

Philanthropy Award Sponsor

Each year, MHAMC recognizes an individual or organization who is making a positive difference in their community and who inspires others to contribute to the community in a meaningful way. Because of their generous and consistent support, our organization is able to provide programs and services at no cost to individuals and families. We are pleased to announce George Whitelaw, Former MHAMC Foundation Board President, as this year's Philanthropy Award recipient. Through this sponsorship, your company is recognized for its desire to help MHAMC continue to provide free services to the most vulnerable.

****SOLD** Tony Dowling Child Advocacy Award Sponsor**

The primary goal of child advocacy is to elevate the voice of youth. This advocacy helps children and youth in finding their own power from within and teaching them to use it effectively. Honorees of this award have demonstrated a passionate commitment to the youth of Monmouth County. This year, MHAMC and its Board of Trustees are honored to recognize James Romer, and in loving memory of his wife Lori, for her passion and dedication to our families affected by mental illness and her tireless work in suicide prevention.

****SOLD** Volunteer Award Sponsor**

Elizabeth Andrews wrote, "Volunteers do not necessarily have the time; they just have the heart." MHAMC is grateful for the individuals in our community who volunteer their time to advance the organization's mission and initiatives. This year, MHAMC and its Board of Trustees are honored to recognize Tim McMahon, President, COO of McLoone's Restaurants, and Phil Villapiano, Jr., Co-Founder of Black Flag Management, for their "heart", unwavering support, and effervescence they bring as long standing supporters of the agency.
