THE MENTAL HEALTH ASSOCIATION OF MONMOUTH COUNTY

ANNUAL GOLF CLASSIC & COCKTAIL PARTY

Beacon Hill Country Club - 8 Beacon Hill Road - Atlantic Highlands, NJ

MISSION

Mental Health Association of Monmouth County is dedicated to promoting mental health and wellness and improving the care and treatment of persons affected by mental illness. Our mission is accomplished through MHAMC's strength based innovative programs, education, advocacy, community partnerships and the shaping of public policy.

71 YEARS OF SERVICE

For 71 years, MHAMC's advocacy and support for a community system of mental health care and treatment has benefited all individuals and families in need. Our advocacy efforts include identifying the gaps in the mental health system of care and working to fill those gaps through collaborative efforts. We recognize that there is still much to be done in our efforts to **prevent** mental illness through the development of programs that focus on **early identification** and **intervention** of problems before they become unmanageable.

IMPACT

MHAMC is currently **taking the lead on prevention efforts** in a number of areas.

These include:

- COVID-19 response that continues to provide emotional support and counseling (remote and free of charge) by licensed clinicians. MHA also offered several webinar series, including ones for clinical therapists and school staff, those struggling with financial wellness during the pandemic, and Spanish-speaking residents regarding the vaccination process.
- Statewide advocacy for Suicide Prevention across the life cycle
- Prevention and education services to proactively promote mental wellness
- Individual and Family counseling including trauma sensitive therapy
- Assist people in obtaining permanent housing and STOP the cycle of returning to homeless shelters and streets

Never before has there been such an urgency to focus on mental health as a nation.

With your help, we can continue these initiatives and implement new programs and services as the needs arise.

Honoring
Bob Garrett,
CEO of
Hackensack
Meridian Health

2021 GOLF CLASSIC SPONSORSHIPS

Thank you for considering sponsoring the 2021 MHAMC Annual Golf Classic. The Golf Classic offers sponsorship opportunities that make a philanthropic connection with your organization. Please look at the sponsor levels below for complete details on each unique opportunity that ties your organization to the mission of MHAMC.

B4Stage4 Sponsor (\$3500)

1 in 4 American adults will have a diagnosable mental health condition in any given year.

As a B4Stage4 Sponsor “Changing the Way We Think About Mental Health” your organization will support the important message of early identification and prevention of mental illness and mental health and wellness issues.

MHAMC is committed to its unique B4Stage4 message, which states that mental health conditions should be treated long before they reach the most critical points in the disease process. MHAMC’s work is driven by its assurance to promote mental health and wellness as an integral part of overall wellness, including prevention for all, early identification for those at risk, services for those who need them, with recovery as a goal.

End the Stigma Sponsor (\$2500)

“A diagnosis is burden enough without being burdened by secrecy and shame,” Jane Pauley.

Mental Health Association of Monmouth County envisions a just, humane and healthy society in which all people are accorded respect, dignity, and the opportunity to achieve their full potential free from stigma and prejudice.

Stigma can be harmful. It often leads people to be ashamed of what’s going on in their lives and their family’s lives. This causes most to wait an average of 10 years to seek treatment. Such a delay in seeking treatment can lead to isolation, the loss of jobs and homes, dropping out of school, jail sentences, and even suicide. As an ***End the Stigma*** sponsor, your organization will help MHAMC in its efforts to fight stigma out in the open.

HOW TO BECOME A MHAMC STRATEGIC PARTNER

At MHAMC, we are committed to developing a robust network of change and welcome the opportunity to hear about your organization and how we can work together. Please reach out to Jeanne Navagh in the Development Office to provide additional information about your organization, activities, and how you would like to partner with us.
