

## ABOUT Us

Established in 1950, the Mental Health Association of Monmouth County is an affiliate of the national nonprofit Mental Health America. Our professional staff has been on the forefront of creating a meaningful system of mental health care that strategically focuses on eliminating social barriers and mental health discrimination.

With over 15 programs and services, we create healthy communities for the future.

## Client ELIGIBILITY

**Lack of access to supports can have a serious and lasting impact** across all areas of a child's life. Leaving children without support contributes to school dropout, unemployment, and involvement with the juvenile justice system.

### FAMILY ENGAGEMENT

Family Navigator - Partners with Families Program provides **free supportive services** to parents and guardians of youth involved with Monmouth County's juvenile justice system.

We provide the following free services to youth and families:

- Advocacy
- Assistance with navigating the juvenile justice system
- Linkages and referrals to community resources and support services
- Education and insight through peer-based support and advisory groups
- Family partnerships to identify gaps in system processes, providing recommendations for improvement

### REFERRAL PROCESS

**Family Navigator - Partners with Families Program** is available to Monmouth County families with children engaged in the juvenile justice system.

### GET INVOLVED

Improve the juvenile justice system and experience for youth and families by joining one of the program's focus groups.
